*Products and services available through
D.R. Kohlman, Inc.....*

We offer a full line of TRANE heating and air conditioning systems leading the industry with reliability and efficiency. If your heating system is more than 10 years old it may be 60% to 70% efficient. That means you are wasting 30 to 40 cents of every dollar you spend on heat. TRANE'S air conditioners, variable speed furnaces and heat pumps will help save you the most for your money.

When it comes to cleaner air, TRANE'S revolutionary CleanEffects™ is the industries most effective whole-home air filtration system, capable of removing 99.98% of harmful allergens and particles from your family's air.

TRANE Whole Home Humidifiers.....

Better health can be assisted with the addition of a humidifier. Dry air in the home can be eliminated and overall air quality improved by maintaining a proper level of humidity. Colder winter air feels warmer at lower temperatures.

FRESH EFFECTS™ Energy Recovery Ventilator.....

A whole-house fresh air solution for increased comfort. Exchanges stale indoor air for an equal amount of fresher outdoor air. An energy-efficient way to improve the quality of the air inside your home.

MOST TRANE EQUIPMENT IS BACKED BY A 10-YEAR LIMITED WARRANTY ON ALL PARTS.

GUARDIAN AIR PHI CELLS.....Eliminate "sick building syndrome" by reducing odors, air pollutants, chemical odors, smoke, mold, bacteria and viruses, plus add advanced oxidants throughout the house to kill microbials at the source. Backed by a 90 day money back guaranty!

POWER VACUUM DUCT CLEANING & SANITIZING...

Duct cleaning and sanitizing can remove mold and excessive buildup of dirt and dust in your duct system. Clean ducts and a good air cleaner will greatly improve your indoor air quality.
